Subject: Revised chapter 1 file

---

Here is the new Chapter 1 PDF. It incorporates the new text from Margot, Billy, and Phil.

Best regards,  
Reid

Subject: RE: National Communications summary (Document link: Phil Cooney)

I thought Margot did a great job--I had only minimal changes to her material.  
But then I went ahead and suggested a few more changes in Chapters 1 and 5.  
Note that something weird was going on with my track changes feature, so they appear in two different colors/names (perhaps reflecting my slight schizophrenic tendencies).
