Dear Office of Information and Regulatory Affairs Hunt:

OMB

The phrase "all men are created equal" to me means our right to life is equal. At every stage of life, for humans, animals and plants there exists a fight to stay alive. This inborn struggle is proof of the existance of a God. Don't entertain notions that seniors are only worth 63% as much as younger folk. And don't measure humans in terms of GDP. You are making a big mistake, one that could harm you personally as you age and become 63% as valuable as your children.

HCH

Sincerely,

Carl Hoefler
