Room 10202, 725 17th Street, NW
Washington, DC 20503

Dear Office of Information and Regulatory Affairs Hunt:

I object to the OMB draft guidelines that say that an older person's life is worth only two-thirds of that of a younger person. It is immoral and unsupportable. I strongly suspect its purpose is to let polluters off the hook by making it easier for them to "meet" the artificially-weakened standards of air quality.

Do not weaken our standards for environmental protection.

Sincerely,

Miriam Berg
